

Welcome to Our Divided World Ministry.

I'm so glad you're here. I'm evangelist, H John J, and I want to welcome you to our on-line ministry community that loves Jesus, loves each other and loves you.

We're a place where everyone can worship God in their way, no matter what their background or how they choose to express themselves.

We believe that this is the most important thing: that we can come together as one body of Christ and celebrate how God has worked in our lives.

We know that many of you are visiting us from a distance, and we sincerely hope you'll spend some time looking around our website to get a better sense of all we have to offer, and to help you learn more about us and our beliefs.

We believe in the power of community and fellowship, and are excited to connect with you and help you find your God given path.

Our on-line ministry is a place where you can grow closer to God through worship, prayer, fellowship and service projects.

It is our mission to spread the good news of God's unconditional love and forgiveness to as many people as possible.

We believe that Jesus Christ is the only way to God and that He offers eternal life through Him.

We want to thank everyone for taking time out of their days to give praise to the Lord for continuing to bless their lives day in and day out.

We want you to feel at home here, and know that doesn't happen overnight. So, if there's anything you need or want from us, please let us know! We'll do our best to make sure it happens for you.

You will also see some suggestions for scripture readings that might help you as you grow in your faith, and hope our resources give you plenty of information about what our ministry is all about.

Even though this is an online ministry, we still encourage our members to get involved in their local communities by volunteering at soup kitchens or shelters, helping out at animal shelters or just getting involved with their families' schools and neighborhoods. We believe that being part of a community is vital to living well in today's world!

If this sounds like something you'd like to try out, please sign up today!

We hope that our services will help enrich your life and provide good reminders about how important it is for us all to understand ourselves better, as well as others. May God bless!

We believe that your spiritual journey is up to you—we cannot force it on anyone, but we can offer support and guidance along the way.

We're excited about the opportunity to get to know you better!

If there is anything we can do for you while you're with us, please let us know. We hope that this service will be a blessing to everyone who attends!

Grace to you and peace from God our Father and the Lord Jesus Christ.
